

Cash for SASH - £10,000 boost

AN EXPANDING charity for homeless young people has raised enough money to help fund a move into a larger new base in York following publicity in The Press.

York Vikings Rotary Club has donated £10,000 to the appeal by SASH (Safe and Sound Homes), which finds volunteer hosts in York, North Yorkshire and East Yorkshire willing to put up homeless people aged 16 to 24 for a few nights so they have time to sort out their problems.
