The York City Knights Foundation were delighted today, to receive a £300 donation from the Rotary Club of York Vikings president, Graham Harris, to continue the fantastic work we do in servicing the children and young people in the local community.

The Rotary Club of York Vikings members are pledged to serve the community locally, nationally and globally. With this donation the Foundation will continue the work in the local community and help children and young people have better life chances and life opportunities through our successful physical activity, education and Healthy Lifestyle programmes.

The current president of the Rotary Club of York Vikings, Graham Harris commented on the donation:

“York Viking Rotary Club have concentrated strongly this year towards helping and motivating young people all over the world, but particularly in our own York area. York City Knights have recognised a need locally to engage and invigorate our youth and shown the vision and energy to put this into practice. Their continued works makes a real difference and we are proud to help. Well done York City Knights
