

The Joe Homan Charity

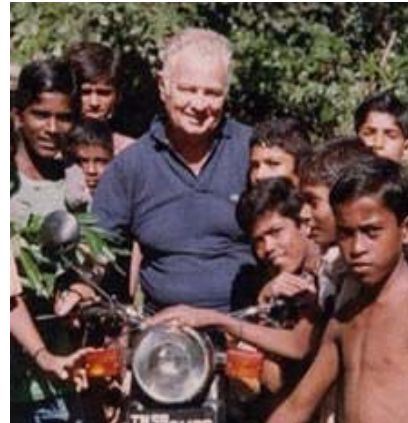

*... bringing joy and hope to children*

**York Vikings  
Rotary Club**

The Joe Homan Charity gives Hope and Opportunity to children who are growing up in poverty in South India and Thailand. We provide each child with a safe and secure environment, the opportunity of an education, and skills training for a future free from poverty.

The Joe Homan Charity works with local Non-Governmental Organisations who are helping children out of poverty. We are also working in partnership with these NGO's to find practical solutions to help improve the quality of life for families and the communities that are home to these youngsters. We are grateful to them all for their hard work and dedication.

### Our History

Charity President and Founder, Joe Homan started a single project in 1965 for destitute boys, just south of Madurai in Tamil Nadu, South India. From humble beginnings, our work has grown over the last 40 years and today there are 7 residential homes for boys aged 11-18 in South India and one in Thailand, each housing 70 youngsters, as well as 5 similar projects for girls and younger children.

The charity also helps hundreds of children in community projects, giving them valuable support in their education.
