

Funzi Bodo Trust

This is a small York Based charity specialising in improving health and education in South Coastal Kenya. Funzi is a small island and Bodo the nearest mainland settlement. Over the past five years York Vikings have donated in excess of £12,000 which has been used to provide a small boat for communication between the clinics (also supported by these donations) and the mainland. The latest major donation went to supporting purchase of a 4-wheel drive vehicle capable of transporting patients.

But the people in the villages of Bodo and Funzi endure very different conditions. On Funzi there is no electricity or running water and in both villages people live in traditional mud houses with no sanitation and their lives at risk from illness and disease.
