

Supporting International Projects

A world map with several callout boxes pointing to specific countries. The callouts describe various international projects supported by the York Vikings Rotary Club. The projects are: Riders for Health (Kenya), SIDO Project (Tanzania), Hope and Homes for Children (Ghana), Funzi Bodo (Kenya), Hope and Homes for Children (Ukraine), and Joe Homan Charity (India and Thailand). Sand Dams is also mentioned as a project type.

Riders for Health
Mobilising grassroots carers from Kenya to reach thousands with hope and support

SIDO Project
Alleviating poverty in Tanzania

Hope and Homes for Children
Supporting Accra Rotary Club, Fanteakwa District & Begoro hospital

Funzi Bodo:
This is a small York Based charity specialising in improving health and education in Coastal Kenya. Funzi is a small island and Bodo the nearest mainland settlement.

Hope and Homes for Children
Prevention of the Abandonment of Babies in Ukraine

Joe Homan Charity
From humble beginnings, our work has grown over the last 40 years and today there are 7 residential homes for boys aged 11-18 in South India and one in Thailand.

Sand Dams
Sand dams are an affordable way to enable rural dry land communities to address hunger, poverty, conflict, climate change and land degradation and create green economic growth - all at the same time.
